

T H E M O P A R D I F F E R E N C E

A passion for uncompromising performance and quality is the essence of the Mopar Difference, and it's forged into every part and accessory we make. As the official parts and accessories division of DaimlerChrysler Motors Company, LLC, Mopar is original equipment. Which means that every Jeep® Accessory in this catalog is jointly designed by Jeep and Mopar engineers — the people who know your Grand Cherokee better than anyone else.

Our product is a result of uncompromising standards. You'll recognize the difference in the tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle color match, as well as in the integrated fit that comes from utilizing the same computer modeling technology that was used to design your vehicle.

Our process is an adherence to stricter testing. You'll appreciate the difference in our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests to harsh on- and off-road durability testing. And you'll discover that all Authentic Jeep Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

Our promise is demonstrated in our superior warranty coverage. When installed on a Jeep Grand Cherokee that's within the New Vehicle Limited Warranty period, Authentic Jeep Accessories by Mopar are covered by a 3-year/36,000-mile New Vehicle Limited Warranty, or a 12-month/12,000-mile Basic Limited Warranty, whichever is more favorable to you.* And these warranties are serviced by thousands of DaimlerChrysler Motors Company, LLC dealerships throughout the country. That's a promise aftermarket brands simply can't make.

Whether you're looking to enhance your Jeep Grand Cherokee with premium protection, convenience, style or entertainment, choose the Mopar Difference. Just like our accessories, it's a statement — and a standard of excellence — you'll benefit from for years to come.

JEEP® GRAND CHEROKEE 2006
A C C E S S O R I E S

AUTHENTIC JEEP. ACCESSORIES

The Mopar Difference: Authentic Jeep® Accessories by Mopar are engineered, right from the start, as an original and integral part of your vehicle. Choose them for the differences you can see, such as their integrated design, precise fit and color matching. And choose them for the differences you can't see, such as testing, warranty coverage and overall ruggedness. This results in a superior standard of detail and quality, something aftermarket products just can't offer.

TOURING PACKAGE:

- Body Kit, Three-Piece
- Rear Spoiler
- Premium Carpet Floor Mats

REFINED, BUT STILL WILD AT HEART

What do you get when you take a rough and trail-ready vehicle and add accessories tailored to provide refined, yet refreshingly unrestrained good looks? The **Touring Package**, of course. It's all your Jeep Grand Cherokee needs to show the world its ability to be civilized, without compromising its adventurous nature.

Body Kit helps personalize your Grand Cherokee with aggressive monochromatic styling. The custom **Front Air Dam** and **Side Sills** complement your vehicle's natural contours and are designed, engineered and tested to retain their fit and finish. Three pieces in all. Available in body colors.

Rear Spoiler adds to the aerodynamic appearance of your vehicle and won't interfere with opening the rear window. Rigorously tested to ensure freedom from vibration and to ensure that the premium, durable Clear Coat finish won't fade. Available in six body colors or primed.

Premium Carpet Floor Mats are made of plush 24-oz nylon carpet. Rubber-nibbed backing with driver's side positive retention helps keep mats in place. Color matched to vehicle interior. Front mats feature the Jeep logo.

A C C E S S O R I E S F O R T H E R O A D L E S S T R A V E L E D

If you're the kind of person who follows your own path, then equipping your Jeep Grand Cherokee with the **Off-Road Package** can be a big help in less than ideal situations. Whether you need a little pull, a lot of protection or a place to put all your cargo, this package will put you on the right track for any off-road adventure.

The Mopar Difference: Authentic Jeep.® Accessories by Mopar are constructed of the highest-quality materials — materials tested and proven to help them stand the test of time, meet a more demanding quality standard and deliver optimum performance. For example, our exterior metal accessories undergo the same ElectroCoat paint process as your vehicle for additional protection against rust, wear and corrosion.

OFF-ROAD PACKAGE:

- Rock Rails
- Roof Top Cargo Basket
- Roof Basket Cargo Net
- Taillamp Guards
- Tow Hooks, Front
- Skid Plates (for front suspension, transfer case and fuel tank)
- Slush Mats, Front and Rear
- Roadside Safety Kit

Roof Top Cargo Basket* has high sides to help secure cargo and features a front air deflector with Jeep logo. Mounts to standard-equipment side rails or Sport-Utility Bars. **Roof Basket Cargo Net*** (sold separately) secures to the Roof Basket for added security.

* Properly secure all cargo.

Skid Plates provide heavy-duty protection for your Grand Cherokee's underbody components. Available for the front suspension, transfer case and fuel tank.

Taillamp Guards add extra style while protecting your Grand Cherokee's taillamps — even in heavily wooded areas. Available in Black and Chrome.

Slush Mats are made of heavyweight urethane to help prevent water, snow and mud from spilling onto the floor. Rubber-nibbed backing with driver's side positive retention helps keep mats in place. Feature the Jeep logo on Front and Rear. Set of four.

Rock Rails are constructed of two-inch heavy-gauge steel, and provide added lower bodyside panel protection when off-roading. Available in Black powder-coat finish.

Tow Hooks for Grand Cherokee's front can really make a difference, getting you — or someone else — out of difficult off-road situations. Available in Black.

Roadside Safety Kit is the perfect accessory for every off-roader. The kit includes eight-gauge jumper cables, a large fleece blanket, leather gloves, multifunction flashlight, 2"x20' recovery tow strap and a heavy-duty tote. Packed in a large multipocket nylon tool bag with Jeep and Trail Rated® logos.

R I S E A N D S H I N E

You'll always start your day on a bright note with the **Appearance Package**.

This popular package features stylishly substantial accessories that are built with rugged, original equipment materials, guaranteeing long-lasting looks that are only outshined by their performance.

Molded Running Boards are constructed of a heavy-gauge steel substructure and are covered with molded plastic. Running Boards integrate seamlessly with the contours of your vehicle and provide easy entry and exit. Available in Black molded-grained finish.

Chrome Grille adds extra good looks to your Jeep Grand Cherokee Laredo. Grille will not adversely affect engine airflow or impede the opening and closing of the hood.

Chrome Front Air Deflector with Jeep logo helps deflect road spray, dirt and bugs away from your Grand Cherokee's hood and windshield. It's made of shatter-resistant Lexan® and won't adversely affect wiper or washer operation. Also available in Smoke.

Lexan is a registered trademark of General Electric Corporation.

Door Entry Guards in brushed stainless steel for the Front and Rear add style while they help protect interior door sills from scratches. Front Door Entry Guards feature the Grand Cherokee name.

APPEARANCE PACKAGE:

- Molded Running Boards
- Chrome Grille
- Chrome Front Air Deflector
- Door Entry Guards, Front and Rear

MOVING FORWARD WITH THE LATEST TECHNOLOGY

The Mopar Difference: It's all about compatibility. Authentic Jeep® Accessories by Mopar are designed and thoroughly tested for guaranteed compatibility with your vehicle's electrical system, whether you're upgrading your audio or adding a DVD, security or navigation system. Our testing facilities also help ensure that negative effects from outside interference are almost non-existent. In addition, our accessories meet vehicle requirements for current draw, so they won't drain your battery under normal conditions.

DVD REAR SEAT VIDEO™ allows rear-seat passengers to watch their favorite movies on the road. The integrated CD/DVD player is housed in the rear of the center console for easy accessibility to rear-seat passengers. It features a 7-inch, wide-screen LCD format that provides a full view from all second-row seats.

The system features auxiliary inputs for a video camera, CD player and popular video game units, plus two wireless headphones and an infrared remote. The audio is accessible through the vehicle's sound system and/or through the wireless headphones. Unlike some other brands, this system is constructed of automotive-grade components to withstand vibrations and extreme temperatures.

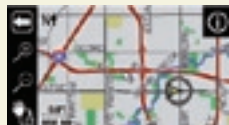

Rear Seat Video is a trademark of DaimlerChrysler Corporation.

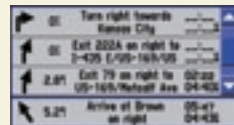

NAVUS™ DASH-MOUNTED NAVIGATION SYSTEM is an advanced, yet affordable way to add Global Positioning System (GPS) technology to your vehicle. The Navus full-color LCD display features touch-screen controls, full-map view with turn-by-turn directional prompts, trip information (including time, compass, vehicle speed and mileage log), automatic re-routing, voice instructions and much more. Navus comes preprogrammed with a permanent base map showing all state and federal highways and major thoroughfares throughout the United States. Also included is a regional 256 MB Compact Flash Memory Card* loaded with detailed residential street-level maps and points of interest.

Navus is a trademark of DaimlerChrysler Corporation.

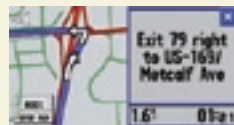

* Customer must select a regional map for their geographic location.

Full-Map View

Turn-by-Turn Directions

Full-Map With Directional Prompts

NAVIGATION RADIO (REC) is a sophisticated, yet simple-to-use combination DVD navigation/stereo system. It utilizes GPS technology, one geographic DVD data disc, and onboard computing to provide you with turn-by-turn directions for the entire mapped United States and parts of Canada. Highlights include voice instruction (in English, French-Canadian or Spanish), automatic re-route calculation, full-map displays, extensive points-of-interest listings and memory for storing 100 personal addresses. The unit also features a 5.8-inch diagonal color display, AM/FM stereo, DVD player, six-disc CD/MP3 player and 12 AM, 12 FM and 12 SIRIUS Satellite Radio presets.*

* Requires satellite receiver/antenna kit, installation kit and satellite radio subscription service.

SIRIUS SATELLITE RADIO introduces a new level of depth and content to radio listening by providing more than 120 channels of coast-to-coast digital entertainment, including 65 channels of commercial-free music and more than 50 channels of world-class sports, news, talk and entertainment. SIRIUS also provides round-the-clock, non-stop traffic and weather via SIRIUS 1st Traffic & Weather. And that's not all. Now you can follow your favorite sports teams with live play-by-play coverage of the NFL,® NHL,® NBA and College Sports Radio. The SIRIUS Satellite Radio system plays directly from your vehicle's radio with the installation of a special receiver and antenna. A subscription to SIRIUS also includes free online listening† to all 65 music channels on the Internet.

†SIRIUS,™ the SIRIUS dog logo, channel names and logos are trademarks of SIRIUS Satellite Radio Inc. Channel information is correct at time of printing. SIRIUS is available within the continental United States. NFL is a registered trademark of the National Football League. NHL is a registered trademark of the National Hockey League. The National Basketball Association name and logo are the property of NBA Properties, Inc.

† High-speed Internet connection required for listening via the Internet. The more than 50 channels of sports, news, talk and entertainment are not available via Internet access.

REMOTE START† gives you the convenience of starting your vehicle from the comfort of your home or office. The system works up to a distance of 800 feet by projecting a signal that's strong enough to transmit through solid walls, and features anti-code-grabbing technology to help keep your signal secure. For added convenience, your vehicle gives you visual (flashing lights) and auditory (horn) confirmation of Remote Start operation. Remote Start is designed to operate seamlessly with your vehicle's electronic systems.

† Check state and local laws on use of remote starters.

PARKSENSE™ REAR PARK ASSIST SYSTEM§ uses sound waves to detect nearby obstacles in and near the rear path of the vehicle to help you maneuver in tight spaces at parking speeds. Audio-visual indicators in the overhead display in the rear of the vehicle alert you to the proximity of most larger, stationary objects that might be outside your line of sight.

§ Always check entire surroundings before backing up. ParkSense is a trademark of DaimlerChrysler Corporation.

EVS I (ELECTRONIC VEHICLE SECURITY) operates in concert with your vehicle's factory-provided remote keyless entry system. Locking the doors activates the system and unlocking the doors deactivates the system. EVS I offers perimeter and interior protection with horn-honk alarm, starter interrupt and dash-mounted LED.

REAR BACK-UP CAMERA¶ literally gives you eyes in the back of your head when backing into a parking space. Putting your vehicle in reverse activates the small wide-angle camera located in the rear license plate brow. The camera shows a view of what's behind you on the 3½-inch diagonal LCD screen. The screen's adjustable on-screen markers provide points of reference to help you determine an object's distance from your vehicle as you are backing toward it. And because the system is seamlessly wired into your vehicle's electrical system, it automatically shuts down three seconds after your vehicle is taken out of reverse.

¶ Always check entire surroundings before backing up.

UCONNECT™ HANDS-FREE COMMUNICATION is an exclusive, voice-activated, hands-free, in-vehicle communication system that utilizes a small control pad, microphone and speaker. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial a wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names (four numbers per name) in the system's address book, and is flexible enough for an entire family (up to five phones can be linked to the system).

UConnect includes Bluetooth® technology that enables a wireless phone to connect to your vehicle without wires or a docking station. This leading-edge technology will allow you to store a wireless phone anywhere within the vehicle. UConnect is simple to use — all you need is a Bluetooth Hands-Free Profile wireless phone from any wireless carrier.**

** You can retain your current wireless carrier and wireless phone number (and one bill) as long as your wireless phone employs Bluetooth Hands-Free Profile version 1.0 or higher.

MOPAR RADIOS are designed to work perfectly with your vehicle's existing electrical system and integrate seamlessly with your dash. Each features 66 watts of total maximum power at 3% total harmonic distortion, generous AM/FM station presets and SIRIUS Satellite Radio System compatibility.†† Radio selections include:

• AM/FM stereo with six-disc CD player, MP3 and hands-free§§ compatibility (RAQ)

• AM/FM stereo with cassette, six-disc CD player, MP3 and WMA compatibility (RAK)

†† Requires satellite receiver/antenna kit, installation kit and satellite radio subscription service.

§§ Requires factory-installed UConnect system.

Front-End Cover helps protect your Grand Cherokee's front end from damage caused by gravel, insects and road debris while the Bug Screen covers the grille area for added protection. Constructed of sturdy Black vinyl with foss backing that safeguards your vehicle's paint and Clear Coat finish. Features Jeep® logo. Available with and without license plate window.

Fog Lights* help undercut inclement weather and minimize glare. Lights are integrated into the fascia openings and feature production lights and switch.

* Check state and local regulations for restrictions on installation and use.

Roof Top Cargo Basket Off-Road Lights, with covers, give you the extra illumination needed when the going gets rough. Installation Kit (sold separately) for mounting lights to basket includes two brackets, wiring harness, switch and relay. Lights sold in pairs.

Tubular Side Steps feature four-inch extruded aluminum, with textured stepping surfaces. Steps feature Jeep logo and mount securely with corrosion-resistant, ElectroCoated steel mounting brackets. No drilling required. Available in either Chrome or Black.

Late availability. 4th quarter, 2005

Molded Splash Guards look great and help protect your Grand Cherokee's lower bodyside panels from damage caused by gravel, salt and road debris. Available in paintable Black for Limited and Laredo.

Adjustable Cargo Area Tray* is designed to help keep your cargo area organized. When open, the unit utilizes plastic walls and integrated cargo nets, forming three compartments which can secure anything from sporting goods to groceries. When closed, the unit collapses into the production load floor. Features embossed Jeep® logo.

Carpet Cargo Mat* helps protect the cargo area from wear, soil and stains. The 24-oz nylon carpet stays in place with a nibbed backing and is available in all interior carpet colors. Features Jeep logo.

Molded Cargo Tray* with raised perimeter lip is built of thermoplastic rubber that fits in the rear cargo area to help protect the carpeting. Available in matching interior colors. Features Jeep logo.

Chrome Fuel Filler Door replaces the existing fuel door, providing a bright complement to any body color.

Side-Window Air Deflectors let you partially open the windows yet remain dry during inclement weather. Set of four tinted, acrylic visors with Jeep logo.

Rear Air Deflector keeps your vehicle's rear window clear by directing a stream of air across it while the vehicle is moving. Matches the Smoke color of the **Front Air Deflector** and features Jeep logo.

Roof Box Cargo Carrier attaches to either **Production Roof Rack Cross Rails** (shown) or **Sport-Utility Bars**. Tough, locking thermoplastic carrier keeps cargo dry and secure no matter what the weather. Features quarter-turn installation, gas-cylinder opening system and Jeep logo. Available in two sizes.

Folding Cargo Mat* helps protect against wear, soil and stains. Two-piece folding design is skid-resistant and conforms to cargo area; heavy-duty design protects with backseats up or down.

Cargo Net* conforms to your personal storage needs. Configure into an envelope net that is attached to the second-row seats or use as a floor-mounted tie-down.

Retractable Security Cover* keeps valuables out of sight in your Grand Cherokee's cargo area. Nylon cover removes easily for storage. Available in all interior colors.

Class IV Hitch Receiver† features a two-inch opening and tows up to 7,200 pounds with weight-distributing equipment. **Class II Hitch Receiver** with 1½-inch opening tows up to 3,500 pounds with weight-distributing equipment.

Roof-Mount Ski and Snowboard Carriers attach to either the **Sport-Utility Bars** (shown) or the **Production Roof Rack Cross Rails** with clamping adapters (sold separately). The **Six-Pair Ski and Snowboard Carrier** holds up to six pairs of skis or four snowboards, or a combination of the two. Carriers feature silver anodized aluminum construction, corrosion-resistant lock covers and either-side opening for easy loading and unloading.

Roof-Mount Bike Carriers accommodate virtually all types of bikes. The **Fork-Mount** style carries one bike securely by the front fork and rear wheel. The **Upright** style* carries one bike locked by the frame with both wheels secured. Carrying clamps feature extra-large rubber inserts to help protect bike surfaces. Carriers mount to **Sport-Utility Bars** (sold separately).

* Not recommended for off-road use.

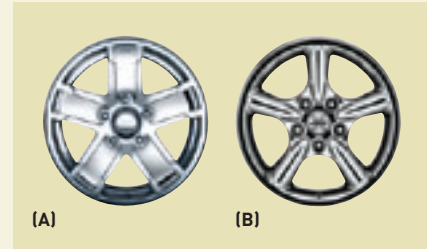

Hitch-Mount Fold-Down Bike Carriers come in **Two-Bike** (fits two-inch hitch receiver or 1½-inch receiver) and **Four-Bike** (fits two-inch receiver) styles. Both have a unique fold-down feature to allow for liftgate opening without removing bikes from carrier. Carriers feature carrying clamps with rubber inserts to help protect bike surfaces, a cable for locking bikes to carrier (lock not included), and an antitheft bolt that locks the carrier to the vehicle.

Water Sports Carrier transports most kayaks, sailboards or surfboards with flat or curved hulls. Latching, push-button nylon strap attachment holds watercraft securely in place. Features soft, self-adjusting and slip-resistant pads to protect hull finish. Mounts to **Sport-Utility Bars** (sold separately).

Production-Style Carpet Floor Mats are made of durable 12-oz nylon carpet. Rubber-nibbed backing with driver's side positive retention helps keep mats in place. Color matched to vehicle interior. Front mats feature the Jeep logo.

Mopar Premium Wheels are machined to match your vehicle's hubs exactly so they'll run true and balance easily for a smooth ride. They also undergo stringent testing to prove their durability and ensure a long-lasting sparkle.
(A) 17x7.5-Inch Chrome-Clad Wheels
(B) 17x7.5-Inch Chrome Cast-Aluminum Wheels

ADDITIONAL AUTHENTIC JEEP ACCESSORIES BY MOPAR:
